Prefects:

R. EDWARDS. W. IMBER (Hardy H.C.) P. RAWLINGS.
A. SARGENT. K. WOODCOCK (Wren H.C.)

EDITORIAL.

We are pleased to present a further edition of the School Magazine, which, owing to war time regulations, has had to be once more considerably reduced in size. For this reason the number of original articles presented is few, but the task of choosing did not present any difficulty to the committee as the quantity and quality of the articles submitted were poor. We feel that the school is not enthusiastic enough, and wish that the girls would realize that it is their magazine and that it is up to them to make it a success.

We must apologise to the O.G.A. for the small space which can be given them.

The most outstanding event of the year was the departure of five members of the staff. We were naturally sorry to lose Miss Lewis, Miss Buckerfield, Miss Hall, Mrs. Varian and Miss Millard (who was only with us for one term), but we

welcome in their places Miss Fleming, Miss Lay, Miss Tunnicliff and Miss Stevens. We extend our good wishes to Mrs. Luton and Mrs. Varian who were married during the summer.

We would like to congratulate Stella Wilson on gaining a Board of Education Four-year Grant. She is now studying at Bristol University.

The school continues to increase in numbers, but unfortunately the school buildings cannot be correspondingly extended. We are seriously thinking of erecting elastic walls to meet the changing conditions.

M. COOMBS.

HOUSE REPORTS.

1. Wren	...	...	671 points.
2. Hardy	...	...	599 "
3. Barnes	...	...	488 "

Wren.

Some members of Wren may remember being warned about the sad results of complacency and conceit, last year. I would like to remind them that nothing but hard work will keep for them the position of "Top House." We are all very pleased and proud to think that we have now won the House Cup for five years in succession. Now keep it up!

Throughout the school year 1940-41, Wren showed a sad lack of enthusiasm where sports were concerned. Why not repeat our performance of 1936-37, when we won all the cups it was possible to win? This year we were disgracefully defeated in both our hockey matches, and the excuse that there was only one team member to play for us is not sufficient. Why were there not more Wren people in the team? We were more successful in our tennis matches, when we won the match against Barnes, and I consider that Mary Biddiscombe deserves the credit for this.

However, remember your reputation as hard workers. Next year let there be no half-measures—win all the cups! And Good Luck to you.

SHEILA ADAMS (House Captain).

Hardy.

At one time Hardy was considered a fairly flourishing House, and for several years it successfully gained the cup given to the "Top House." Since then we have dropped to the position of second House, which is not good enough. This year the members do not seem to have pulled their weight at all. Even if we do not shine in our work, we can all keep the school rules and avoid Red Book entries which, at the present moment, are far too numerous.

Throughout the year, however, great determination was shewn by the House in both hockey and tennis matches, Hardy winning the Match Cup on Sports Day.

We were sorry to lose at the end of the year our Staff Representatives, Miss Lewis and Miss Buckerfield, but were pleased to welcome in their places Miss Lay and Miss Fleming.

I am confident that with a little more united effort from, and consideration for the House, we may one day regain our long held position of "Top House."

WINIFRED IMBER.

Barnes.

The news of Barnes during the past year is far more hopeful than that of recent years, for we have put our foot on the upward rung of the ladder once again, and so have reinstated ourselves as a House that is worthy of mention.

On Sports Day, Barnes, after a hard struggle, carried off the Sports Cup, a feat of which all our members were justly proud. There had been hopes at the beginning of the year that the House Match Cup might be ours as well, for we had a strong hockey team which was successful in both its matches, but unfortunately we came down badly over our tennis. Nevertheless we are proud to say that five of our members gained their hockey colours during the season.

Our activities in the sphere of work were less praiseworthy, for we were still a long way behind the "Top House." Red Book entries seemed to hold far too many attractions for a great number of us, and our plus points mounted up very slowly.

However, Barnes has made a start in the right direction, and it is up to every member of the House to see that full use is made of that start. Come on, Barnes, and show the other Houses that you can do it if you really make up your mind. At the end of this year you must be content with nothing less than the House Cup itself!

STELLA M. WILSON (House Captain).

BOARDERS' REPORT.

The year 1940-41 was a jolly one for the boarders who "brightened" the black-out with strange games and blood-curdling sounds during the winter months, and turned the cellar into a joke during the many air-raid warnings at the beginning of the year. In spite of these appalling "ordeals" there was little illness and, of all the things which might have been considered serious, two cases of mumps and two of jaundice were the total.

Our numbers increased greatly, especially during the Easter Term, and it was found necessary for some of us to sleep out.

Besides the normal routine, we paid three visits to the Savoy Cinema. The seniors also went to a Folk-dancing and Choral Social at the Senior School. In the Summer Term most of our spare time was spent in playing tennis (when the court was not actually under water!)

SHEILA ADAMS.

CONGRATULATIONS.

Our congratulations and best wishes to Mrs. Luton (née Petts), married August 19th, and to Mrs. Varian (née Greene) married July 17th.

AUTUMN.

(Spelling original.—Ed.)

I like the autumn best, when the leaves come down,
They are so lovely, red and brown,
Beech nuts, chest nuts, and sycamore wings,
Conckers, berries and beautiful things.

GAMES REPORTS.

Hockey.

During the season the team has shown considerable improvement, and has at last realised the value of playing as a team instead of playing as individuals. Hockey colours were awarded to S. Adams (captain), M. Coombs, S. Wilson, R. Smart and P. Toogood.

The results of the matches were as follows:—

Against	Played at	Date	Result
Blandford	... Away ...	October 19th	... Lost 3-5
Gillingham	... Home ...	March 8th	... Scratched
Gillingham	... Away ...	March 15th	... Won 3-2
Blandford	... Away ...	March 22nd	... Lost 1-0

MARION COOMBS (Vice-Captain).

Tennis.

This year we were favoured by good tennis weather, and after some hard practice we won four of our six matches, the two losses being only by one game in each case.

The results were as follows:—

Against	Played at	Date	Result
Blandford	... Home ...	May 24th	... Won 41-40
Gillingham	... Home ...	June 21st	... Won 44-36
Old Girls' Association	... Home ...	June 24th	... Lost 40-41
Gillingham	... Away ...	July 2nd	... Lost 49-50
Blandford	... Home ...	July 5th	... Won 55-44
Old Girls' Association	... Home ...	July 7th	... Won 44-36

A CAUTIONARY-TALE.

The chief defect of Silas Hooks,
Was that of hoarding up old books.
When Lord Beaverbrook did cry,
Who, as you know, controls Supply,
Appealed for paper, tons and tons
To fill up shells and help make guns,
Silas would not turn them out
And at the cry would rave and shout.
Then one night the siren sounded
And from his bed old Silas bounded.
Incendiaries fell upon his house,
And Silas, frightened as a mouse,
Began to run towards the door
And found the flames grew more and more.
Soon the house was quite afire,
And with the books the flames grew higher.
And when at last, the rescue came,
Silas found himself to blame
For hoarding such a lot of books
In all his cupboards, shelves and nooks.
And now he's playing well his part
Collecting for the salvage cart.
So do not copy Silas Hooks
And hoard your papers and your books.

THE SPELLING BEE.

On Nov. 29th, Hardy House challenged Wren to a Spelling Bee. Two rival representatives were sent from each Form, Miss Petts was "Master of Ceremonies," S. Wilson was time-keeper, and the scorers were M. Coombs and R. Smart.

The result was a win for Wren, the score being 20-17. It is interesting to note that Marjorie Caie, the youngest Hardy competitor, gained full marks, while K. Jones, the Wren junior, spelt only one word incorrectly. We all very much enjoyed the Spelling Bee, and hope that more will be organised in the near future.

LIMERICK.

There was a young lady of Mere,
Who could not help shedding a tear,
When the cake she was making
Went wrong in the baking,
And looked like a pancake gone queer.

THE TWOPENNY CONCERT.

On Wednesday, Dec. 11th, a Twopenny Concert was held in the School Hall. The proceeds were in aid of the Red Cross and the School Sports Fund.

Seventeen items were presented, including four plays, songs by the Senior and Junior Choirs, pianoforte solos and duets, and dancing. The four plays were: "Le Petite Chaperon Rouge" acted by VA. with the IVth form as chorus, "A Midsummer Night's Dream" by the IVth form, "The Mad Hatter's Tea Party" by forms IIIA. and IIIB., and a scene from "Peter Pan" by the Kindergarten.

Choral items included songs by Senior and Junior Singing Classes, and French songs by forms IIIA., IIIB., the IVth, Remove, and VB. P. Leaman, B. Wormald and C. Bradford played piano solos. C. Bradford and Miss Drake played a duet. A tap dance was performed by H. Clarke and C. Hine, and a dance by members of the Greek Dancing Class.

A large audience of parents and friends attended, and spent an enjoyable afternoon. A sum of £2 12s. was raised.

MARION B. COOMBS.

THE SEA.

The sea is very wonderful,
With white cliffs all around,
With dashing waves and snow white foam
And golden yellow sand.

The white cliffs tall and stately,
And the sand where we love to play
Is sheltered by those tall cliffs
With shadows every day.

The sea is very wonderful!
With weird and ghostly sounds;
With islands rich and mighty
With small and grassy mounds.

MARY HUSSEY. Aged 10.

THE 2nd SHAFTESBURY HIGH SCHOOL COMPANY GIRL GUIDES.

The past year has been very successful. We were pleased to welcome to the Company, during the Christmas Term:— P. Stevens, A. Pull, M. Woodman, S. Broadbent, J. Holdaway, J. Fleming, M. Caie and K. Jones. These recruits brought our numbers up to 24.

The Guide Social, held at the end of the Autumn Term, proved very enjoyable to both the Guides and their guests.

In the Spring Term, weather conditions prevented work out of doors, but we were busy with the 2nd Class work, and preparing for the County Competition; we also attended a Service for Youth held at the Senior School.

The Company achieved more during the Summer Term, when most of our meetings were held outside, and 2nd Class work and preparation for badges—Artist, Folk Dancer, Minstrel, Friend to the Deaf—went on successfully. The difficulties of obtaining food did not prevent us from having two hikes, to Duncliffe and Wincombe respectively.

The Cup was awarded to two patrols—Lily of the Valley and Sunflower, the judges having decided their points were equal.

We welcome Miss Tunnick as successor to Miss Buckfield, whom we were sorry to lose at the end of the Summer Term. We also said "good-bye" with regret to R. Woodriffe, P. & J. Toogood and B. Divers.

Our plans for this year? We have already started a Red Cross Working Party and have begun a R.X. fund by collecting and selling blackberries and hips, and with our quickly increasing Company we hope to extend our efforts to "Do our bit."

TOPICAL TALKS.

There once was a famous old bell
Whose tone was delightfully swell—
O! one day it broke,
Who gave it that poke?
Oh! nobody ever will tell.

A girl in a school (Shaftesbury High)
Said "I really can't understand why
I sit here and freeze
From my nose to my knees,
Till a poor frosted Raddish am I."

THE SCHOOL BELL.

For three days past we've had no bell,
The Prefect showed her might;
She broke the handle full and well
Because she held it tight.
It's made its journey down the street
To get a handle new.
When it returns 'twill be a treat,
We'll ring the whole school through.
Meanwhile the sound of the whistle blown
Tears our nerves to pieces;
Reminds us of the siren's moan;
Oh! for the time it ceases.

SPORTS DAY, 1941.

By the kindness of Mrs. Toogood, we were allowed to hold our Sports in the garden at 13, Parsons Pool. The weather, though blustery, did not mar our pleasure, but made harder the task of Mrs. Pearson, the Mayoress, who kindly gave away the Cups to the fortunate winners. She spoke of the value of physical training, and emphasized the need, espec-

ially at the moment, of "fighting fitness." Mrs. Pearson then congratulated the girls who had won, and comforted others with the assurance that there would be more opportunities in the future, and the effort was the important thing.

Mrs. Raad spoke in brief of the School's work during the year, and regretted that rationing prevented her from offering hospitality to the parents and friends. She thanked Mrs. Pearson for her kind gift to the Games Fund.

The awards were:—

A GIRL'S DREAM.

(After "A Boy's Song," by James Hogg).

Where the meadows are the deepest,
Where the banks and hills are steepest,
Where the bee hums all day long,
It's there birds gather to sing their song.

Where the flowers bloom the sweetest,
Where the hedgerows look their neatest,
Where the young lambs frolic and play
From morning till the close of day,

Where the brook goes babbling by,
Where stately elms are towering high,
Where a cottage garden gleams—
That's the land, the land of my dreams.

RUTH WAREHAM. Form IIIA. Age 12.

KNITTING FOR THE FORCES.

Several members of V.B. and the Remove worked diligently, and knitted during the year two pullovers, two scarves, and one Balaclava helmet in Air Force blue. For these, they received an appreciative letter from the Lady Mayoress's Comforts League.

NATIONAL SAVINGS ASSOCIATION, 1940-41.

Membership this year rose to 105, and the total sum collected was £386 10s. 1d. Shaftesbury War Weapons Week gained £246 12s. 8d. from the School Association.

HIGH SCHOOL, SHAFTESBURY.

16th November, 1941.

Dear Old Girls,

As the restriction of petrol, and the "black-out" make meeting you very difficult, and the increasing size of the school adds to my labours, to say nothing of the triplication of multifarious government forms, I have little time to reply to letters, so am grasping this opportunity to tell you all how glad I am always to hear from, and of, you, and how proud I feel that you are playing your parts so well in life.

I read of Kitty Mister's fights with bombs, incendiary and otherwise, and rejoice in her escape and Diana's; of Leslie Look's nursing adventures and her pitiful stories of the maimed and bereaved whom she has met; of Nancy Norton's struggles in "Darkest Africa," where she and her husband are striving to bring spiritual and physical healing—and I feel that these girls are typical of all my O.G., and only opportunity is lacking to many.

Our financial position is strong; we have a balance of over £14 which we have determined to keep intact till circumstances allow us to have a really representative meeting.

To each of you, I wish God speed. Please write to me if you have news, or even if you haven't! and do not think silence on my part is forgetfulness!

Yours affectionately,

MARGARET RAAD.

GENERAL MEETING.

A General Meeting was held at the High School on Wednesday, October 29th, at 3.30 p.m. Owing to the difficulty in travelling, etc., very few members were able to attend. Mrs. Raad was in the chair, and it was proposed that the present officers should remain in office for the duration. Items of news of Old Girls were discussed, and it was decided that it was impossible to hold any activities during the forthcoming year owing to the international situation.
